

The Science powering Clean Sky

PROGRAMME

FOXTROT Conference Room, ConferenceCenter (in Hall 1)

ILA Berlin, 1 June 2016

- 14.00 **Registration and welcome coffee**
- 14.25 **Welcome address:**
Clara de la Torre, Director, European Commission, DG Research & Innovation
- 14.30 **How the large industry links with Academic research**
Richard Parker, Clean Sky Governing Board Chairman
- 14.40 **Academia across the TRL journey**
Peter Hecker, Chair of Clean Sky Scientific Committee
- 14.50 **ENDAMI project as a good example of cooperation with University**
Hannes Krieg, Project Manager, University of Stuttgart
- 15.00 **Academia and Research Establishments pro-activity in Clean Sky**
Ron van Manen, Clean Sky 2 Programme Manager, Clean Sky Joint Undertaking
- 15.10 **The ACARE vision of upstream research – a seamless R&I agenda**
Rolf Henke, ACARE Chairman, Member of the Executive Board for aeronautics research, DLR
- 15.20 **Clean Sky Academy: getting young researchers on board**
Jean-Francois Brouckaert, Project Officer, Clean Sky Joint Undertaking
- Q & A with audience*
Coffee break
- 15.50 **Best PhD Award – Presentation of Nominees**
Giuseppe Pagnano, Clean Sky Coordinating Project Officer, Clean Sky Joint Undertaking
- 16.00 **PhD Award: “Vortical structures on three-dimensional shock control bumps”**
Simon Colliss, University of Cambridge
- *Q & A with audience*
- 16.20 **PhD Award: “Modelling, control and supervision strategies for aeronautical electrical networks”**
Beniamino Guida, Second University of Naples
- *Q & A with audience*
- 16.40 **PhD Award: “Development of Dynamic Phasors for the Modelling of Aircraft Electrical Power Systems”**
Tao Yang, University of Nottingham
- *Q & A with audience*
- 17.00 **Best PhD Award Ceremony**
Francesco Grasso, Chair, Aero Technical Institute, CNAM
- 17.05 **Closing remarks**
Ron van Manen, Clean Sky 2 Programme Manager, Clean Sky Joint Undertaking
- 17.15 **Networking drinks**
