

Logo

Projects from participants

Pursuant to their contractual obligations under the grant agreement, Clean Sky beneficiaries must make it visible that their action has received funding from the Clean Sky 2 Joint Undertaking under the H2020 programme when disseminating the project results and when communicating on their action.

Both the CSJU logo and the EU emblem shall be used on any dissemination of results (in any form, including electronic) such as publications and dissemination documents but also on infrastructures, equipment and major results.

Clean Sky 2

This logo is used for all communications linked to the Clean Sky 2 programme.

Logo

Projects from participants

**This project
was funded by
the European Union**

Any communication activity related to the action (including in electronic form, via social media, etc.) and any infrastructure, equipment and major results funded by the grant must:

- (a) display the CSJU logo and the EU emblem,
- (b) include the following text:

For dissemination and communication activities:

“This project has received funding from the Clean Sky 2 Joint Undertaking under the European Union’s Horizon 2020 research and innovation programme under grant agreement No [number]”.

For infrastructure, equipment and major results:

“This [infrastructure][equipment][insert type of result] is part of a project that has received funding from the Clean Sky 2 Joint Undertaking under the European Union’s Horizon 2020 research and innovation programme under grant agreement No [number]”.

When displayed together with another logo, the CSJU logo and the EU emblem must have appropriate prominence.

For the purposes of the above mentioned obligations under the grant agreement, the beneficiaries may use the CSJU logo and EU emblem without first obtaining approval from the Joint Undertaking or the Commission.

This does not, however, give them the right to exclusive use. Moreover, they may not appropriate the CSJU logo or the EU emblem or any similar trademark or logo, either by registration or by any other means.

For more information see the Horizon 2020 Online Manual on the Participants portal:
