Funding represents 40% of the overall “not to exceed” funding for Core Partners as foreseen in the Regulation.
The funding rates in the 1st Call for Core Partners stem from the H2020 *Innovation Action* category, consequently:

- Not-for-Profit organisations foreseen to be funded at 100% of total eligible cost in accordance with the H2020 Regulation
- For-Profit Participants (large and small) should be funded 70% of total eligible cost

The “action category” and funding rates for topics related to Calls for Proposals [i.e. Partners] are as yet not set but will be decided before the first CfP.
Thank You

Disclaimer

- The content of this presentation is **not legally binding and subject to modifications and evolution over the info days on Clean Sky 2** until the adoption of the Regulation on *Clean Sky 2 JU*. **Any updated version will be regularly advertised on the website of the Clean Sky JU.**
- The selection of CP will be based on Horizon 2020 Rules for Participation (**already in force**), the rules for submission of proposals, evaluation and selection of Core-Partners (CP) will be adopted by the Governing Board of Clean Sky 2 JU and will apply to the calls for Core Partners.
- This presentation wish to provide a preliminary overview of these rules (**draft preliminary**)
- The proposed content/approach is based on the consultation with the “National States Representative Group” and the “Task Force” of the *Clean Sky 2 Programme Proposal*
