

Decision of the Governing Board adopting the updated Clean Sky 2 Development Plan

THE GOVERNING BOARD OF THE CLEAN SKY 2 JOINT UNDERTAKING,

Having regard to the Council Regulation (EU) No 558/2014 of 6 May 2014 establishing the Clean Sky 2 Joint Undertaking¹ ('Clean Sky 2 JU');

Having regard to the Statutes of the Clean Sky 2 JU as annexed to Council Regulation (EU) No 558/2014 of 6 May 2014, and in particular Article 8(2)(t);

Having regard to the consultation with the Scientific Committee dated 17 November 2017 and the States Representatives Group dated 17 November 2017, and their positive outcome;

WHEREAS:

- 1) The Statutes of the Clean Sky 2 JU confer on the Governing Board the overall responsibility for the strategic orientation and the operations of the Clean Sky 2 JU;
- 2) In the light of the status of implementation of the Clean Sky 2 Programme, it is deemed appropriate to update the Clean Sky 2 Development Plan;
- 3) The updated Clean Sky 2 Development Plan should replace the first Clean Sky 2 Development Plan adopted by the Clean Sky 2 JU Governing Board decision of 29 June 2016;
- 4) The scope of the updated Clean Sky 2 Development Plan is mainly to lay out the high-level structure of the Clean Sky 2 technical programme, the main activities and their schedule (including milestones), the key risks and their mitigation, its forecast budget to completion and the way this will be managed;
- 5) The updated Clean Sky 2 Development Plan includes modifications such as the reference to all members selected through the consecutive Calls for Core Partners; the breakdown of Clean Sky 2 high-level objectives per concept aircraft and the target performance levels with the input received from Leaders; it introduces further technical scope modifications needed for the execution of the programme from end 2017 until the programme completion; and it includes
